AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 11th day of August, 1896.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

WHEREAS at the time the Chehalis Indian Reserves Nos. IV. and V., situate on the right bank of the Harrison River, in the Province of British Columbia, were allotted to the Indians of that neighbourhood, a plot of land containing, approximately, an area of 136 acres shown cross-hatched in purple on the plan hereto annexed, was excluded from the Indian Reserves above referred to, owing to the fact that the land was held at the time by Mr. A. Onderdonk, railway contractor, under a timber lease:

And whereas a communication dated 19th May, 1896, has been received from the Deputy Superintendent-General of Indian Affairs representing that the Chehalis Indians have cleared up a considerable portion of this plot of land and cultivated it annually on the strength of the belief that it would eventually be given to them, and because it is situated at a height to protect it from encroachment by high water, the bulk of their reserve being only a mass of gravel and rock, of little, if any, value for farming, and urging that the tract in question be added to the reserves:

And whereas the Acting Minister of the Interior is of the opinion that the request is one that should be acceded to,—

His Excellency, in virtue of the powers conferred upon him by chapter 56 of the Revised Statutes of Canada, intituled "An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order, and it is hereby ordered that the piece of land shown cross-hatched in purple on the annexed plan be added to the Chehalis Indian Reserves Nos. IV. and V., situate on the right bank of the Harrison River, in the Province of British Columbia.
